

TROOP

Troop 235's cook book started as a gift from Beth Dukes, Troop 23, as a good turn for Ken Westlake's aid in helping get Beth's son from Camp Napowan. Both Beth and Ken were part of Wood Badge C7-751-06, and are from the same patrol, Bob White. The Cook book is now in both print and electronic form is was expanded by Colin Alesse, Wood Badge C7-751-13, Bob White Patrol. Additional recipes are Troop favorites and increases as the Troop grows and experiments.
